ANTI-SOCIALIST BILL

Herr tinger Succeeds in Abruptly Shut-ting Off the Debate. BERLIN, Dec. 18.—In the reichstag Monday, Dr. Nieberding, secretary of state for the imperial office of justice, opened the debate on the revolutionary bill. Should the present measure, which was not directly aimed at the socialists, but rather at subversive movements in general, be rejected, he said, the government would be obliged to demand exceptional powers, similar to those in 1878. Upon the conclusion of Dr. Nieberd

speech Herr Singer, socialist, raised the question that there was no quorum present, and demanded the count of the house. He declared that the discussion of a bill of so much importance required a full attendance of merebers. A vote was taken, and disclosed the fact that only 158 members were present. President Von Levetzov consented to postpone the debate, and fixed the time for its resumption at January 8, remarking that he was very sorry his desire to expedite the work of the reichstag had been so abruptly obstructed.

But more than that, Christianity is heathenism, and not a city, or town, or neighborhood of India, but directly or indirectly feels the influence: and the day speeds on when Hindooism will go down with a crash.

Genius has frequently had remark-able workshops. Robert Burns once went galloping over a remote Scottish powers touched one of their highest points. The result of this journey was the impassioned national lyric, "Scots Wha Hae wi' Wallace Bled." J. S. Mill framed his "Logie" as he walked from his home to his office and back again. Sir Matthew Hale composed his "Contemplations" as he rode on horseback While traveling in the same fashion on Answer: Yes; the last creature nan is thinking of while dying is the plish a vast quantity of literary working at a shird he will go into a shird he will go into a the "Corsair" in a London thoroughhis numerous and prolonged preaching marle street, between Grafton street and Piccadilly; and states himself that he composed "Lara," not in the study but at the toilet table. "The Revolt of Islam" took form in Shelley's brain as the poet apparently frittered away summer hours lying in a boat on the bosom of the Tames at Marlow.—Cham
